

ALWAYS WELCOME IN EVERY COMMUNITY

Y NATIONWIDE MEMBERSHIP

Your Y membership now allows you to visit any participating YMCA in the United States and Puerto Rico, at no additional cost. Therefore, whether you are traveling on the west coast for business or visiting relatives down south, you can get your workout in and connect with the larger Y community.

GET STARTED BY SIGNING THE WAIVER

Just remember that the first time you visit another YMCA, you will need to sign a waiver. It takes just a few minutes, with a photo ID, and once it is done, you will not have to do it again! If you know you are heading out of town, feel free to stop by our Welcome Center and sign the waiver in branch. Visit our website homepage and you can print and fill the form out ahead of time, too. Then you are all set to enjoy the benefits of nationwide membership!

Some restrictions may apply or vary among the participating Ys, so we recommend you call ahead prior to your visit. Visit ymca.net to find a participating Y location in the area you are visiting.

WE CARE ABOUT YOUR SAFETY

As your family's safety is always our primary concern, all YMCAs conduct regular sex offender screenings on all members, participants and guests. If a sex offender match occurs, the YMCA reserves the right to cancel membership, end program participation, and remove visitation access.

THINGS TO KNOW BEFORE YOU GO

As a Nationwide Member, you now have the added value of visiting Ys across the United States and Puerto Rico. There are a few guidelines to know and follow when you travel:

- Visit ymca.net before you travel to make sure the Y you intend to visit participates in Nationwide Membership. More than 2500 Y locations participate.
- You must have an active membership to be eligible for Nationwide Membership.
- On average, at least 50% of your visits must be to your Home YMCA (the local association that enrolled you and collects your membership dues).
- If you have known periods of seasonal travel (when you will not be using your Home Y at least 50% of the time or will be a resident of another area for more than 28 days), you will need to place your Home Y membership on hold or cancel it, and join the Y where you will be living for

that time period. Please plan ahead, as it may take several weeks to place your account on hold.

- If you are a college student, you will need to join the YMCA where your usage is 50% or greater. Nationwide Membership is based on individual usage not the family unit. Most Ys have a young adult or college membership option or you can ask about the financial assistance program.
- Most YMCAs require a photo ID for all visitors. Please bring a photo ID with you for a seamless customer experience.
- You will be asked to sign a waiver when visiting other YMCA locations. We offer Nationwide Membership because we want to help you reach your health and wellness goals wherever you live, work or travel. This is an essential part of our cause of strengthening communities.

We look forward to your visit and hope you enjoy being part of more YMCA communities.
