Welcome Summer of 2018! At the Ocean County YMCA, we make summer safe and fun every day. The Y provides a welcoming environment for campers to express themselves, try new activities, learn new skills, be creative, make lasting friendships and have a great time! Our camp program features an array of traditional games and sports, arts and crafts, outdoor fun, swim lessons, recreational swimming and so much more. Our camp days are filled with fun and engaging experiences that encourage self-confidence, leadership and team work.

Join us for one week or all summer long. We offer a full day camp experience, with before and after care options for campers entering Kindergarten through 8th grade. Located in Toms River, we utilize the acres of land at the YMCA, along with a competition size swimming pool. Local trips are included in our cost, in which we explore Ocean County Parks, local bowling alleys, ice skating rinks, movie theaters, and beaches, along with special guests and much more. Local community leaders are invited to share with our campers to enhance our day to day programming. We follow all state and local standards for health, safety and program quality, governed through the Ocean County Health Department.

The Y camp curriculum is structured and delivered to promote teamwork, self-esteem and build lifelong skills. We incorporate the Y core values of caring, honesty, respect and responsibility into our activities. Every member of our camp staff is trained in our pre-camp training, including First Aid and CPR. We train in anti-bullying, behavior management, curriculum, CATCH and more. Staff consists of full time teachers, full time students, professional child care workers, and our Y Kids before and after school staff. Each staff must pass a background check, a reference check and goes through a complete screening process. Our lifeguards and swim instructors are all American Red Cross Lifeguard certified.

While applications are considered and accepted throughout the year, anyone needing financial assistance for summer camp must submit their Y Cares application no later than April 1, 2018.
